

Initial Information for Interest in Nutrition Counseling and Medical Nutrition Therapy

Courtney Rinehold RDN, CDN, CLT is a Registered & Certified Dietitian/Nutritionist & Certified LEAP Therapist with RINEHOLD Nutrition Services LLC and the Fertility & Midwifery Care Center.

As a Registered Dietitian/Nutritionist she combines her traditional medical background with a holistic approach, using real food, to help heal the whole person.

As a Certified LEAP Therapist (CLT) she is trained to help clients suffering from non-IgE food sensitivities, often seen in hard to treat symptoms like irritable bowel syndrome, migraines, fibromyalgia, arthritis, and other chronic inflammatory conditions. The MRT testing & LEAP protocol also have great success with arthritis/joint pain, acne, fatigue/energy issues, ADD, ADHD, autism, challenging weight loss, infertility, PCOS, diabetes, and more.

If you are interested in working with Courtney: please fill out the attached symptom survey and health history. You can email/fax them back, or, just bring them to the session. If you can track about 3 days of your diet and activity that would be helpful as well.

Detailed info on nutrition services and upfront/out-of-pocket pricing can be viewed on the RINEHOLD Nutrition Services & Fees brochure (*For info about billing insurance, see below*).

If you want to find out about your insurance coverage for the nutrition sessions, please:

- 1) Call your doctor and ask for a referral for medical nutrition therapy and self-management and have it faxed to Courtney Rinehold RDN @ **260-209-5956** or **260-818-2121**. Also ask what diagnosis codes can be used for you and you should write those down to use when calling your insurance.
- 2) Call to check with your insurance company about your coverage through Dr. Christopher Stroud (it will be provided by Courtney Rinehold RDN, though billed under Dr. Stroud)....see the next steps below
