Cancellation/No Show Policy for Appointments and Surgery

1. Cancellation/ No Show Policy for Appointments

We understand that there are times when you must miss an appointment due to emergencies or obligations for work or family. However, when you do not call to cancel an appointment, you may be preventing another patient from getting much needed treatment.

If an appointment is not cancelled at least 24 hours in advance you will be charged a fifty dollar (\$50) fee; this will not be covered by your insurance company.

2. Scheduled Appointments

We understand that delays can occur, however, we must do our best to keep our providers on schedule.

If a patient arrives 15 minutes past their scheduled time we may have to reschedule the appointment out of respect for our other patients.

3. Cancellation/ No Show Policy for Surgery

Due to the large block of time needed for surgery, last minute cancellations impose considerable hardships for the office and other patients waiting to have surgery.

If surgery is not cancelled at least 14 days in advance* you will be charged a one hundred and fifty dollar (\$150) fee; this will not be covered by your insurance company.
